#### **OUR SERVICE TO YOU**

The Fund at Wolverhampton is always looking for ways to improve its service and has introduced a new personal service that lets you take care of most of your LGPS needs by telephone.

You can call to check your membership details, request personal information or even change your address.

Every time you call the Fund to request personal details or to make a change, you will be asked to confirm your password and at least two pieces of information personal to you. When staff are confident about your identity, they will process your request and provide written confirmation of any change actioned by you.

If you would like to register for this service, you must first complete a password registration form (this will automatically be sent to you with your membership certificate).

#### **COMBINED BENEFIT STATEMENTS**

It is the Fund's intention to move towards the production of a combined benefit statement. This will mean we will be able to provide you with a comprehensive listing of the pension benefits that you are due to receive from the LGPS and State scheme at retirement.

If you have any objection to the Fund obtaining details of the State pension benefits that you will be entitled to at retirement, you should write to the Fund and request that your details are excluded from this process.

#### **DATA PROTECTION**

To protect any personal information held on computer, Wolverhampton City Council is registered under the Data Protection Act 1998. This allows members to check that their details held are accurate. The Fund may, if it chooses, pass certain details to a third party, if the third party is carrying out an administrative function of the Fund, for example, the Fund's AVC provider. Additionally, the Fund may respond to requests for personal information from other public bodies, e.g. HM Revenues and Customs (HMRC) in connection with their statutory duties. Members who wish to apply to access their data on Data Protection Act grounds should contact the City Council's Data Protection Officer on (01902) 554498, via e-mail at dataprotection@wolverhampton.gov.uk

This authority is under a duty to protect the public funds it administers, and to this end may use information for the prevention and detection of fraud. It may also share this information with other bodies administering public funds solely for these purposes.
