Our aim

The West Midlands Pension Fund aims to provide the highest standards of service.

Therefore, we welcome any suggestions or compliments that you may wish to make, to help us improve our service. You can do this by letting us know when we get things right and when we get things wrong (we always welcome your suggestions on how we can improve our service). Staff are always pleased to hear from members or visitors who have been satisfied with our service.

Compliments help us to identify good practice, which will be communicated throughout the Fund for future reference. Likewise, if you would like to make a suggestion that you consider other members could benefit from, please talk to a member of staff or ask to speak to the Director of Pensions to discuss your suggestion.

If you would like to say thank you to a member(s) of staff, your comments would be appreciated.
